

Genetwister is an innovative Dutch biotechnology company specializing in molecular breeding and bioinformatics of agricultural, horticultural and ornamental plants. Through our research projects and tools, we help our shareholders and customers improve vegetable and ornamental crop quality to enable more sustainable farming and a more reliable food supply for the future. We develop software for database management and perform data analysis and data mining for our shareholders, five internationally renowned breeding companies we are proud to serve.

As part of our ambition for further growth of the company, Genetwister has a vacancy for a

Senior Financial Manager

YOUR POSITION

The Senior Financial Manager is responsible for and coordinates all aspects of financial and tax administration, including project administration, accounting, accounts receivable and credit management, invoices and declarations of taxes. The Senior Financial Manager also reviews financial data, prepares (monthly) management reports, financial statements and financial projections. In addition, you will assist the CEO, the management team and expertise team leaders with (project) budget processes and cost control. You will provide the CEO and the management team with insightful information and expectations to aid in long-term and short-term decision making. You are motivated to further develop the financial administration function of the company. The Senior Financial Manager reports to the CEO and will be part of the management team of Genetwister.

YOUR PROFILE

- MSc degree in finance/business administration or comparable education.
- Significant experience as financial manager and the skills to independently coordinate, manage and advise on all aspects of the financial administration of a company.
- Experienced in identifying requirements and deficiencies in the financial administration and providing appropriate feedback to CEO and management team.
- Enthusiastic about educating and advising colleagues about financial processes.
- Eager to stay informed about new developments in the professional field of financial administration, law and regulations.
- Excellent communication skills.
- Taking initiative and the ability to work as part of a team.
